

Anacar Motion represents the top manufacturers of electric motors, electro-mechanical actuators, robots, motion controls, power quality solutions, precision gearing, industrial computers and related products. We operate in the NY Metro and Mid-Atlantic states.

 <p>Automation and Motion Solutions</p>	<p>Linear Guides, Ball Screws, Linear Actuators, Robots</p>	
	<p>Controllers for Stepper, Brushless, Linear and Voice Coil Motor Controller, Integrated Motors</p>	
	<p>Industrial, Commercial, Embedded PC's for OEM's</p>	
	<p>Roller Screw Linear Actuators from 500 to 80,000lbs force, Integrated Actuators and Rotary Servo Motors</p>	
	<p>Industrial Worm Gearboxes, Helical-Bevel, Helical Worm, Planetary, Stainless Steel Gearboxes, AC Motors, Spiral-Bevel Right angle, Screw Jacks</p>	
	<p>Best Drive Actuators, Gantry Systems and Screw Tables</p>	
	<p>Variety of Motors, Drives, Controls, Gearboxes and Custom OEM Solutions</p>	

Anacar Motion, LLC  
 201-337-3055

	<p>Line/Load Reactors, Harmonic Filters, Motor Protection Filters, EMI-RFI Filters, Custom Transformers</p>	
	<p>Roller Screw and Ball Screw Linear Actuators, Hexapods, Custom Actuators</p>	
	<p>DC Coreless Motors, Precision Planetary and Spur Gearheads, Brushless Motors</p>	
	<p>Precision Planetary Gearboxes, Zero Backlash Gearboxes, Servo Right Angle Worm, Cycloidal, Rack and Pinion Systems</p>	
	<p>AC Motors, Brushed Motors, Brushless Motors, Gearmotors and Custom Solutions</p>	

**Anacar Motion also provides custom solutions.**
